2002 Bordeaux Futures Report
2001 Bordeaux Report : End of the Maturation Process

NOW AVAILABLE !

Trust Jean-Marc Quarin!

He lives in Bordeaux and has been following every vintage from the budding to the harvest since 1988.

Content : General presentation of the vintage - the successful appellations, grape varieties and properties in 2002 and 2001 - novelties - charts of 370 wines in 2002 and 330 in 2001 divided into 4 categories: good wines, very good wines, excellent and exceptional - rating of each wine out of 100 and, for the first time, the equivalent of the rate out of 20 - a 13 486-character text equivalent to a 9-page article in a newspaper.

You can order the report today, by fax or by e-mail, at a cost of 15 euros.

I would like to receive immediately the 2002 Bordeaux Futures Report in English with the two charts classifying the 2002 and 2001 wines.

I would like to receive immediately the 2002 Bordeaux Futures Report in English with the two charts classifying the 2002 and 2001 wines followed by the publication in French to be issued in May.
